I hereby request to be permitted by SERP to participate in recreational program activities administered by it. I hereby acknowledge that my participation in such activities is entirely voluntary on my part. My participation does not arise out of or in the course of any employment with Sandia Corporation and it is not a requirement of any such employment. Such participation is solely for my own pleasure and benefit.

In consideration of the acceptance of my participation in such activities, I hereby release Sandia Corporation, the United States Government, SERP, and all officers, directors, employees, and agents (as a group and as individuals) of any of the foregoing, and any fellow recreational program participants, for any liability for any injury or damage sustained by me while participating in such activities or during my transportation or travel involved with such activities.

SERP fee: \$ _____	Date: ----- / ----- / -----	Accepted by: _____

## SWGGA Mentorship Program 2016

The Mentorship Program is a part of SWGA that was established to promote interaction between new golfers with more experienced players and to increase overall member knowledge of golf rules and course etiquette. This program provides a supportive environment where individuals can learn, gain confidence and meet new golfing buddies. This free opportunity allows individuals to be paired with mentors who will help new members establish their handicaps in time for league play, answer questions and provide insight.

Please consider joining the mentorship program this year in either a mentor or mentee capacity. We are always looking for participation; each player has the potential to enrich the SWGA through their experiences. Even if you choose not to formally enroll in the mentorship program, please feel free to participate in the clinics.

We are looking forward to an exciting year with diverse areas of interest. Once the dates, locations and topics of the meetings are determined they will be posted on the SWGA website as well as in the Daily News.

Keep an eye open for additional information.

Looking forward to a wonderful season,

Linda Hillis  
Mentorship Director
