St. Therese Catholic School

Established 1947

St. Therese is a pre-kindergarten through 8th grade Catholic School in the Archdiocese of Santa Fe. The curriculum stresses academic achievement within a Christian community where the child feels they are loved and respected by their peers and teachers. St. Therese School is dedicated to assisting families with passing on the Catholic faith, morals and values to the students. The school is a community outside the home, where religious values and truths may be integrated with daily life. The school provides a quality education in a Christian environment and to help each student develop his/her own potential through creative expression, hands on learning, self discipline and the opportunity to participate in liturgy, prayer, sacraments and community service.
